Bed with desk and storage function.

Thanks to gas spring assistance, it transforms within seconds, offering **94 cm clearance** for storing equipment and a **140 cm wide desktop** in desk mode.

- ◆ **Solid aluminum construction** – the stable frame ensures safety and comfort.
- ◆ **Functional lifting system** – easy switch between desk and bed.
- ◆ **Spacious storage compartments** – perfect for books, clothes, or electronic devices.
- ◆ **Powder-coated finish** – durable and resistant to weather conditions.
- ◆ **Finishing panels** available in birch, bamboo, or custom options.

Specifications:

- **Material: Aluminum alloy 6063** – thanks to its properties, it is the best material for lightweight yet ultra-durable constructions.
- **Three functions: Bed / Desk / Storage** – adapt the system to your needs.
- **Spacious design: 94 cm clearance** under the bed for bikes and gear. Desk and food storage cabinet with 140 cm width in desk mode.
- **Compatibility:** Works with the Tetravan shower system and a 90-liter water tank.
